

PREMIER FARM TANK FUEL HOSE

Premier Farm Tank hose is an economical hose designed for use in agricultural, industrial and construction maintenance applications. It features 2-spiral, high-tensile, polyester cord reinforcement with an NBR tube and a NBR/PVC cover. Premier Farm Tank hose is oil and abrasion resistant. This hose was engineered for dispensing gasoline, kerosene and oil from farm or barrel-type pumps where UL approval is not required. Farm Tank hose is supplied with static wire. Static wire hose is designed for use with electric pumps.

Note: Do not use these hoses at a service station or to refuel any aircraft.

Cover Color: Black

Oil Resistance: High

Construction:

Tube: NBR, RMA Class A

Cover: NBR/PVC RMA Class A

Reinforcement: Spiral high tensile polyester cord

Temperature Range: -29°C to +71°C

Working Pressure 60 psi
